Dear Prospective Sponsor:

The third annual FilmOneFest (the Atlantic Highlands One Minute Film Festival) will take place Saturday, July 16, 2011. The 2009 and 2010 festivals brought films from around the world and across the United States (as well as many films from local New Jersey filmmakers) to over 1,000 festival attendees. We've received such positive press that we expect many more to attend in 2011.

Even though we've received invaluable support from many generous businesses and organizations including the Monmouth County Arts Council and WholeFoods of Middletown, the current financial environment has limited donations and sponsorships. We've managed to put on the festival in spite of these difficulties with the help of a 100% volunteer committee and the generosity of the community. This year we are in need of additional funds to improve structural elements (electric, staging), festival grounds (sturdier tents, better signage, etc.) and continue our support of the Atlantic Highlands Food Pantry.

We are seeking sponsors who would be willing to support this unique cultural event in exchange for a memorable platform from which to distribute their marketing message. I hope you'll consider joining us as a sponsor for this event that The Red Bank Orbit called "a unique showcase of succinct cinema." FilmOneFest has been covered by notable media outlets, including the Asbury Park Press, Two River Times, CNBC, Reuters, and The Monmouth Journal.

We hope you'll join us this year and help bring this "unique showcase" of film to an even larger audience. If you can't join us as a sponsor, please consider advertising with us in our event program. We also welcome in-kind contributions and services as well as auction items for our Benefit Dinner on April 30th. We will follow-up with you in the coming days to see how we can work together to make your company's participation in this event a success.

Thank you,

Mary Christman (732) 872-7298
